Dear Parents,

Please be advised schools will be returning to Remote and Flexible Learning from Wednesday August 5th.

Monday August 3rd will be a normal school day.

Tuesday August 4th will be a Pupil Free Day for teachers to prepare.

Wednesday August 5th students will return to Remote and Flexible Learning.

There will be more details released by the Department of Education over the next 24 hours, as soon as I have it I will let you know. There will be some students who are eligible to attend school for a supervision program, these details will be released soon.

I am confident that Murchison Primary School will again be able to provide an effective Remote and Flexible learning program for students. This may take a bit longer than Wednesday, we will do our very best.

If you require the following, please email the school on murchison.ps@education.vic.gov.au

- your child to attend school for on-site learning (from Wednesday)
- use of a computer and/or ipad

Please try to stay positive, calm and remind your children that everything will be alright. We are working hard to make sure that everything is right to go as quickly as possible.

Thank you for your continuing support,
Karen Goodwin
Principal
