House Swimming Sports

Goulburn was announced the winners of the 2022 House Swimming Sports at assembly on Monday. Congratulations to all who participated. Well done to the students who were our Age Group Champions. See details later in newsletter.

District Swimming Sports

District Swimming Sports were held today congratulations to Lily, Joe, Frankie, Max & Wally. We wish these students the best of luck, we know they will do Murchison proud. The Ranges Division Swimming Sports will be held on Wednesday February 23.

Engineers Without Borders

All students from Foundation to Year 6 participated in a lesson on Filtration of Water, facilitated by Engineers Without Borders. This group are engineering students from the University of Melbourne. Lessons included hands on activities.

Student Information Update

It is important that we have all the current medical conditions, contact names and numbers, especially for emergencies and emails up to date. Please let Shelly know of any changes.

Camps, Sports and Excursions Fund (CSEF)

The Camps, Sports and Excursions Fund is available to families if you are the holder of a Health Care Card. Please see Shelly for an application form by February 28.

School Council News

School Council had their first meeting for 2022 last night. Finance is an area that School Council overseas. School Council discussed the level of payments made by parents and the positive impact this has on allowing extracurricular activities and programs for students such as band and sporting events. If you have any questions or require your individual bpay code or school banking details to make your payments please contact Shelly in the office. A reminder that this year's fees are \$220 per child.

Policy Development is also a role for School Council. The Mobile Phone-Student Use Policy was ratified at the meeting. This will be available on the school website shortly. The policy requires all phones and mobile devices such as smartwatches to be turned off and handed into the office if required to be brought to school.

SPORTING
Schools

Table Tennis Australia is pleased to partner with Sporting School to deliver a program at Murchison Primary School. This program will be straight after school on Thursdays starting February 24 and finishing at 4:30pm. Please let Shelly know if you are interested.

Have a great week of learning!

MASK: Well, it's been a busy week. We have made and flown aeroplanes, worked together to complete new jig saws and to top it off we have enjoyed mango sorbet on the past two hot days. Accounts were emailed out Monday night. A few things to come out of this include no CCS rebates on new accounts. I followed this up with Mark at Hubworks and was told that parents need to check their information on the Centrelink App to confirm their enrolments to Murchison After School Care, if no luck there check your MyGov account. Once the enrolment is sorted with CCS, your account will automatically be adjusted your next account. Please stay on top of your accounts. Sharon

An update about Mechanics Club. On the weekend I visited my brother in Melbourne. He works at a auto parts place and has donated some items for the students to get their hands dirty, pulling apart and learning how various car parts work, Thx Darren. Last week I talked about contacting someone, how did you go? We caught up with some old time friends while in Melbourne. Connection when I think of it has been restricted because of Covid. Our house was usually full of people and noise. We would visit our friends. This week's encouragement is reconnect. I am going to ring some of our friends and organise a meal. See you" At the gate" for coffee & hot chocolates. Come and get your free Nescafe mug. My friend gave me a box so I am passing them on, have a great week and weekend, Chappy 😊

MURCHISON-TOOLAMBA FOOTBALL NETBALL CLUB - JUNIORS

The MTFNC are ever so close to meeting our target of being able to cater for the whole family at the same place on the same day. Our youngest netball team being 11 & Under and our youngest football team being Under 13s. This arrangement means that all juniors can have their game scheduled between 8:30am and noon, allowing for a great family atmosphere. If you are interested in being involved in any of our junior teams, please attend our Season Launch and Information Evening on Thursday 24th February from 5:30pm. Our Under 13 Football is open to boys and girls from as young as Grade 3. There is a possibility if there is enough interest to add an Under 9 football team to cater for Grade 1 and 2 students.

The 11 & Under Netball would suit players in Grade 3 and 4.

For more information please attend the Information Night & First Training on Thursday 24th February at 5:30pm or call/message Craig Thompson on 0407465560 for more details.
