Supporting Diverse Learners and Schoolwide Inclusive Practices

This week we welcomed Dani Watt, to our school. Dani will be working with us over the next 18 months one day per week. Our school has been selected due to our shown commitment to inclusive practice and will be an example for other schools in this area. Dani's role is to work with schools to empower the learning and wellbeing needs and aspirations of students with disability and neurodevelopmental differences, such as autism, dyslexia and dyscalculia ('diverse learners'), ensuring their needs are met consistently across the Victorian government school system.

Professional Practice Day

Students **will not be required** at school on **Tuesday 24th May**. All staff will be working on moderating assessments and report writing on this day.

Walk to School

Next Friday May 20 is Walk to School Day, let's see how many students can walk, ride or scoot to school.

Child Safe Standards

Murchison Primary School is proudly a Child Safe School, including being a leading school in Respectful Relationships.

Chaplains News:

Appreciate things that make you smile. Today I was travelling from Shepp and noticed all the various letter boxes, Ned Kelly, truck, horse, kangaroo, to name a few. We all have moments in our day where we smile. I guess we need to take them in when we have busy lives. Hope the mums had a great Mother's Day 🌸. News from At the gate coffee club. The new machine has arrived. See below, Chappy

MASK:

I hope all the mums had a great weekend and that you enjoyed your gift that your child chose to make. With the weather turning cooler please pack a coat for your child to wear outside as we will still venture out to the playground. If you haven't already filled out an enrolment form for After School Care, I invite you to do so. There is no commitment to use the service but by having the forms filled in before your child attends it allows the computer system to flow smoothly. Accounts were sent out last night. Thank you to those who continually pay on time. Sharon

JUMP ROPE FOR HEART

Murchison Primary School will be involved in Jump Rope For Heart to support the Heart Foundation to raise money for research this year. Students throughout the school are currently very interested in skipping, making this year a great opportunity to engage with Jump Rope For Heart. It just so happens to be the 40th anniversary of Jump Rope For Heart! We plan to have a Jump Off Day in Week 5 of Term 2 to raise funds. Students will be taught the skill of skipping each week, as well as have the opportunity to join in fun skipping activities at Lunchtime and Recess. This will help students get the most out of Jump Off Day and build the hand eye coordination that they can use when playing any sport. We hope to raise funds through gold coin donations, however if families wish to become more involved in fund raising you can sign up at jumprope.org.au or see Mr Ford.
