Our Little Learner's Loving Literacy...

Students in the Junior area are enjoying their LLLL sessions each morning. This week a group has been focussing on the letter 't'. They were very excited to share their knowledge of the words that start with 't' and how to form the letter correctly.

150+1years of Education Celebrations

This upcoming event on Saturday November 5. Please spread the word to past students. We are looking for any interesting facts or stories to publish in a commemorative book. Please see Karen if you have items to share.

Keeping Warm

Winter has arrived this week. We have a number of school jumpers and jackets if your child needs one. Students can wear jackets, beanies or gloves when out in the playground to keep warm. Please remember to label all clothing so we can return it to the rightful owner.

Chaplains News:

Hi all, it was a chilly "At the gate" coffee club on Tuesday. The expected rain stayed away which was great. Mechanics' Club has recommenced. This year we have 3 Groups The V8's, SS, & Turbo's. 16 students are attending the program. The V8's having fun as seen in this photo got an introduction and watched a video from Max explaining how Mechanics' Club works. They thought Max did a great job, Thx Max. I was able to show the group my first tool-box my boss bought me way back in 1981. It is so good it is being used to support this program. Stay warm. Until next time, Chappy 😊

JUMP ROPE FOR HEART

Sadly in Australia today heart disease is the single biggest killer of Australians. The Great Murchison Jump Off is a fundraiser for the Heart Foundation to help fund the

very important research needed to treat and prevent heart disease. Since 1958 the Heart Foundation has raised over 680 million dollars for research that has made great advances in medicine, such as the invention of the pacemaker that has saved the lives of thousands of Australians. So please give a small donation to the Great Murchison Jump Off this Friday to help support the great work the Heart Foundation does.
