Planning Underway

Students were excited to see the initial plans for the new sensory play space that will be built in our school grounds. They had lots of questions and are looking forward to seeing the work begin.

150+1years of Education Celebrations

This upcoming event on Saturday November 5. Please spread the word to past students. We are looking for any interesting facts or stories to publish in a commemorative book. Please see Karen or Shelly if you have items to share.

School Attendance

It has been great seeing students returning to school after having a large number away due to illness. Regular attendance is important however the best place for a sick child is at home resting. We have plenty of RATs available at the office when families require more.

State Schools Spectacular

Our students are continuing to rehearse twice a week for this amazing event and tickets are about to be released. Please see information later in the newsletter for details.

Queen's Birthday Weekend

Hope we get to enjoy some sunshine over the long weekend with Monday being a Public Holiday.

MASK NEWS

With the winter chills truly set in, I'd like to take the time to remind you to pack a coat for outside play. Just because it's cold doesn't mean we need to stay cooped up inside. Have you been on to Centrelink and updated your incomes? It's up to parents to keep this up to date or you could receive a bill from Child Care Subsidy (CCS) for over payments. We encourage all users to register for CCS via Centrelink as you may be eligible for a rebate. Accounts went out this week. Please keep these up to date. Thank you to those that are on top of their accounts. Sharon

Chaplain's News

Hi all, I was driving home and was reminded about how something I was concerned about ended up being ok. So, this week's inspiration is about "being thankful" My son had to leave his work due to a health issue. I was concerned about what would be next for him. My worries went away as he got a new job. Was so thankful he has a new start. I wonder what you are thankful for? Being thankful is not always an easy thing to do. Sometimes it takes an effort however is worthwhile to take stock and to remind ourselves of what we have in our lives. I am thankful to Murchison Primary School for the opportunities I have to care for the school students, staff and parents. This week is the third group for Mechanics Club. The groups have had their introduction and chosen their work shirt. I am also thankful to our new additions to our family. Bear and Tiger. "At the Gate" Coffee club will be on next Tuesday. Chappy 😊

BOOK CLUB- Issue 4 is due back: **Today: Wednesday, June 8th**

Thanks once again to the families that have supported us by making a purchase or three from Book Club. There were families that ordered for the first-time last edition, so thanks to you too!

This is the final issue for Term 2. On each edition you will find a selection of books available for just \$3 as Scholastic aims to make books affordable to everyone. If you would like to place an order please

go online by Wednesday the 8th. Just follow the *L.O.O.P. directions* on the bottom of the brochure or alternatively return the completed paperwork with correct payment to the office by the Wednesday. Thanks! Felicity
