Values: Be Safe, Be Responsible, Be Respectful & Be a Learner

From the Principals desk...

We have had a great term of learning and activities. This week we had multi-age activities on Tuesday and Wednesday mornings. Students participated in a variety of learning activities with lots of fun and learning for all. Students programmed Spheros, designed paving designs for the outdoor area using tessellating shapes, art, PE, games and much more. We even had success with students learning to tie shoelaces. Thanks to the staff for organising these fantastic activities for our students.

Odd Sock and Hot Chocolate Day

Thanks to Chappy, Grace and Max for ensuring everyone was served their hot chocolate today. Thanks to those who supported this SSS fundraiser.

Congratulations Grace
Congratulations to Grace who was select by the Department to participate in the Victorian High Ability Program. Grace has participated in online writing lessons this term with other high achieving students from across the state.

Bee Shop

Students have enjoyed seeing new items in the Bee Shop this term. Students earn tokens for displaying positive behaviours. This week's focus has been on waiting your turn to speak.

Hot Dog/Dim Sim Day

A reminder that Friday is Hot Dog/Dim Sim Day, please return your orders to avoid disappointment. There will be no Bakery lunch orders on Friday. **School will finish at 2:20pm**, with MASK running until 6pm.

Fun and Family Time

I wish everyone a happy, healthy and safe holiday. I hope you get time to enjoy some time with family and friends. Have a look at the Junior Rangers flyer and others further in the newsletter for some activities. There are lots of great opportunities for children over the holidays.

Finally, I would like to thank the students for their fantastic efforts over the term, the parents for their wonderful support of their children and our school and the staff for their dedication.

Have a great holiday,

Karen Goodwin

MASK News

Accounts will be processed over the holidays to include this week's accounts. The children have been busy playing MasterChef the board game this term. This gave me the idea to present them with their own Mystery Box for their afternoon tea in it. So, Monday and Tuesday nights afternoon tea consisting of cold meat, cheese, and dip to accompany the Savoy biscuits and Turkish bread with a bowl of fresh fruit to finish off with. The children have enjoyed this idea as well as enjoying something a bit different for afternoon tea. Please don't think this will be a every night thing as this is a two day treat only. I have added a card holder for smaller hands to enjoy card games more easily. Enjoy your holidays and I look forward to seeing you next term. Sharon

Chaplain's News

Loyalty, Hot chocolate and Odd Socks Day. What a day! It was so good to see the students and staff enjoying the festivities. The odd socks in all the colours was great, thanks to Grace and Max, Sharon and Karen who made this day possible. Last week I mentioned I would talk on "loyalty" Loyalty takes an individual task but also has someone who receive it. Loyalty rises above how we feel about doing something. We all have that "Monday morning" feeling at times, I could just stay in bed. Loyalty is that value that gets us up, makes us keep on going. At this time, I want to thank the staff/office staff for their amazing work in term 2. Parents, thanks for your loyalty to the school and for dropping by "at the gate Coffee Club" it's been a pleasure to serve the school in my capacity as Chaplain. Have a great holiday, Chappy

STUDENT ABSENCES: Please phone the school or send a message via Skool Loop if your child is going to be away. Children are expected to be at school every day unless unwell. Please support your child's learning and ensure they are at school by 8.50am every day.
