**Monday 1<sup>st</sup> August.** All staff will be attending Professional Learning with Andrew Fuller in Shepparton. We will be extending our knowledge on supporting student and staff wellbeing. There will be no staff on site on Monday.

#### **Welcome to the Leadership Team**

Congratulations to Joe and Joshua on being inducted to the Leadership Team. See more details further in the newsletter.

#### **Bee Shop Morning Tea**

Students have been busy cashing in their hard-earned tokens in our Bee Shop. It was great to have morning tea with these students. Congratulations to all.

#### **Footy Fun**

Students enjoyed a visit from Sam Wood who very kindly umpired a lunch time football match. Thanks, Sam for your expertise, time and the gift of new footballs.

#### **Missing Anything?**

We seem to have a lot of school tops (jackets and jumpers) lying about. Many are not named or have previous owner's name in them, which is making it difficult to return to their owners. Please remind your child/ren that if they are

missing any item of clothing, to come and look for it in the classroom and lost property. Also, if families could check that all items are named clearly, that would help a great deal.

#### **Uniform Swap**

Has your child grown out of their uniform? We have lots of items available at the school. You can find them in the shelves in the entrance of the new building. Please ask if you can't find what you are looking for.

#### **2023 Enrolments**

We are now taking enrolments for 2023. If you have a child who will be starting school next year, please contact our office to arrange a tour of our school.

#### **e-Safety**

Murchison Primary School is an e-Smart School. For important digital news visit the eSafety Commissioner's website <https://www.esafety.gov.au/>

#### **Premier's Reading Challenge**

It is great to see students logging their books on the PRC portal. We have 12 students complete the Challenge with over 600 books read. Keep up the great reading.

#### **Talk About It Program**

Our Year 5/6 students participated in the Talk About It Program last week. This program is a Personal Development Program. Parents of Year 5/6 students are invited to attend an online information session on Monday 1<sup>st</sup> August, 6:30pm. Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. ## Chappy's News

Last Sunday my son Glen was playing music at Belcibo's. We decided to go and have lunch and listed to Glen and Sunnysideup which is the name of the band. While we were waiting for our food an older lady was standing at the counter with a younger man standing behind her. The words. "I'll pay for that" rang out followed by a surprised look on the older lady's face. The young man paid for her meal. It was so nice to see his gracious gift been given right in front of us. I am sure that for both of them their life was changed. One single act of kindness changed their day. Well done young man. Another act of kindness happened later on when most of the people had left a older couple came for a coffee. They got up and had a dance, Sunnyside took a request from them and played their song while they danced. At the end of the song the older man tipped the older lady which brought a few tears to everyone there. Mechanics club the Vrm's are learning about 3D Printing which came just in time to print out some chair stoppers for Mrs Goodwin, see photo. Please take care everyone as Covid is taking a toll on people's health. Please follow the advice given. Next Tuesday, "At the Gate" coffee club will be out the front. Hope to see you, Chappy

## Mask News

We have been very busy with good numbers. With this said, it's important to book your child/ren in through the office so we can have the correct staff to child ratios. The children have been busy last week using our cameras taking some very interesting shots. They came in Monday to see their photos framed and hanging on the wall. They have enjoyed showing these to their parents and pointing out the ones that they have taken. There are more photos to come to fill the left-over frames.

Accounts will be out this week.

Cheers Sharon
