Father's Day Breakfast

The sun was shining and Chappy had the BBQ fired up for a wonderful morning with dads, grandfathers and families. It was a great opportunity to celebrate the importance of these great role models in students lives. Thanks to Chappy and the staff for their help early this morning.

Picasso Exhibition

Twenty, Year 3-6 students attended the Picasso Exhibition at NGV on Monday. Everyone had a great time and enjoyed the experience of seeing such masterpieces in real life. Students also had the opportunity to create their own portrait prints. Thanks to Karen Vraca for organising this experience for our students. Congratulations to the students on their behaviour and engagement on the day.

Vacation Care

It has been great to have parents utilising this service at our school. Bookings can be made via the school.

MASK NEWS

Happy Father's Day for Sunday! Hope you get spoiled in love! Accounts have been sent out and payments are coming in, so thank you heaps for that. If you are having trouble, please see Shelly to make suitable arrangements. The children have been enjoying some new toys that have been donated. Parents, please allow some time for YOUR child/ren to pack up what they were playing with. Packing up is an important skill for us all to learn.

Thanks, Sharon

CHAPPYS NEWS

Location, location, location. Murchison Primary School was the location for the Father's Day Breakfast. I want to thank Chappy's Angels who shopped, came in early, helped, served, washed up and kept me on track. Even had a coffee made for me 😊 Special thanks to the Dads, Grandads and Carers for coming. For me it's all about community. There was a buzz in the air with lot's of 'that's better than Macas, can I have another one?' We celebrate the life of dads and carers in the life of our students at Murchison. We thank you for what you do and the support you give the school. I loved the chats.

How did you go with keeping the bridges intact? Until next time with thanks,
Chappy 😊
