MASK NEWS

Last week of term. Just where has the time gone? Our photos today were taken by your children. With the weather warming up and spending more time outside, the children are asking to take more and more photos. This is an ideal way for the children to express themselves. They can work in pairs and share the camera and who is the focus point of the photo. They are starting to direct their models into poses and what expression they want in the photo. It is great to see them developing a real interest and watching them have fun all at the same time. There are lots of selfies being taken. Lol. It would be very helpful if parents could please book their children in through the office. Accounts will be done on the first week of the school holidays and it would be greatly appreciated if they were all paid by the time, we get back start to term 4. Sharon

CHAPPYS NEWS

I would like to pay my respect to the Royal Family on the sad passing of Queen Elizabeth 11. Her ascension to the throne started at a very young age ((21) for someone to have such responsibility during times of instability in neighbouring countries. I remember being at Canterbury Primary School assembly singing God Save the Queen with hand on heart. It was not until high school that we sang Advance Australia fair. Queen Elizabeth 11 is on our money and continued to have an important role in Australia, visiting many cities and rural towns. The Queen has visited Australia on 16 occasions: 1954, 1963, 1970, 1973, 1974, 1977, 1980, 1981, 1982, 1986, 1988, 1992, 2000, 2002, 2006 and 2011. As a mark of respect flags are at half-mast throughout the commonwealth. May she rest in peace. It was nice to see some parents coming and going to the smell of fresh coffee at the gate this morning. Special thanks to Mrs Goodwin for supplying the coffee and for always having the milk ready for me to use. Holidays is fast approaching. I hope you all get some time for R&R in what has been another busy term 3. Term 4 will be times of transition. Year sixes entering a big time for them as they head towards high school. We wish them all the best and will continue to support them during this time. Thanks also to our amazing staff for their dedication and partnership throughout term 3 and look forward to an amazing term 4.

It was so nice to see the SSS students on the train as they headed for an action-packed fun filled event.

Congratulations.

Finally, the sun did rise after my boys in red and blue were told they couldn't play anymore ☹ after Brisbane Lions sent them home. Congratulations to them. Until next term. Chappy
