Chappy News

Being grateful! I had a wonderful chat about this topic at the Bowling before the concert. Harly suggested that being grateful was a good thing to talk about. I found out these valuable lessons that the Foundation class have discovered. When we are grateful of the people we have, and the things we have, we are happier. Harly taught us that being nice and happy are good values to have in the class room. He demonstrated this by telling his class that he was grateful for them. This bought a big smile on the children's faces. Thankyou Harly for teaching and reminding us of what is important. So... I am grateful for you as a school community. I am grateful for the amazing staff who work and give of themselves to educate children. I am grateful for the office staff (Karen & Shelly) who keeps things moving in the right direction. I am grateful for the school council for their commitment and care for the school. I am grateful for our amazing students who constantly put a smile on my face. I am grateful for you as parents for trusting your children with the school. Lastly I am grateful for those who filled sandbags so that others would benefit. Proud of you Pancake morning will be next Tuesday.

Also next Tuesday will be the last at the gate coffee club for the year, so I hope to see you there. Until next time, take time to be grateful, just like Harly. Chappy 😊
