Monday 3 August 2020

Dear Parents,

Thank you once again for your support and understanding during these times. We have all developed resilience and the ability to change our focus at short notice. Final details regarding Remote Learning are still to be communicated from DET, once I have this information I will pass it on to you all.

Today I spoke with students regarding the weeks to come. Ensuring students that they know how to learn remotely and that we can do it again.

On-site supervision will be available to:

- Children whose parents cannot work from home
- Vulnerable children
- Any child with a disability

Please contact the school if your child needs to attend onsite during this time. If required before and after school care can also be arranged by contacting the school.

The staff have prepared work packs for Wednesday, Thursday and Friday of this week. We will have packs ready each Friday for collection from 10am. We ask that you return completed work in the plastic pocket provided weekly so staff can monitor your child's progress.

We have sent home a netbook and/or iPad with students who had them last time in preparation for the use of Google Classroom and Meetings next week. Staff have been showing students how to use this platform. Please return the Authority to Use School Equipment Form on Friday when you collect the next work pack. If you have not received a netbook or iPad please contact the school and this can be arranged.

General enquiries should be made by phone on 58262391 or by email on [murchison.ps@education.vic.gov.au](mailto:murchison.ps@education.vic.gov.au)

Should you require to speak with your child's teacher this can be done between 8:30 and 4:30pm on their work email.
